# The Central Coast Veterans Cemetery Foundation Support and Contribution Program

Situated on Fort Ord, the projected cemetery site encompasses gently rolling hills with the natural beauty of Monterey Bay. As a lasting tribute to those who served in the armed forces, the new cemetery will remind future generations that we honor our veterans who were instrumental in preserving our nation's freedom.

When completed, the cemetery will be convenient for the large number of veterans and their families located within a 100-mile radius of Monterey Bay.

Veterans groups, other organizations and individuals are generously supporting the cemetery

The Foundation will also need volunteer support for administrative, grant writing, fundraising and many other activities. Volunteer participation is critical to the success of the cemetery.

We look forward to serving and hearing from you!

## Memorial Tile Project

A Wall of Honor located in Memorial Plaza within the Veterans Cemetery complex will provide a lasting opportunity to honor those who have served our country and helped preserve our nation's freedom.

The following four contribution levels are offered for placement of Wall of Honor tiles engraved with the name(s) of those being honored by the contributors.

- Platinum \$5,000
- Gold \$1,000

Special recognition is also available for Corporate Donors and Benefactors at contribution levels above \$10,000.
